ABOUT THE COLLEGE

Panimalar Engineering College provides a holistic Education in an ambience that makes no compromises on Discipline, Dedication and Commitment. The result of which, students who pass out of the College turn out to be academically Brilliant, Morally upright and Empowered individuals. The Trust started Panimalar Engineering College in the year 2000 in accordance with the general policy of the Government of Tamil Nadu. *Our Secretary and Correspondent, Dr. P. Chinnadurai, M.A., M.Phil., Ph.D.,* is the forerunner in implementing the vision of our chairman which is to foster excellence in education. Our College owes to *Directors Tmt. C. Vijaya Rajeswari, Mr. Sakthi Kumar, M.E., and Mrs. Saranya Sree Sakthi Kumar., B.E.,* who are focussed in bringing out the true potential of our college.

ABOUT THE DEPARTMENT

The Computer Science and Engineering Department offers both Undergraduate and Postgraduate programs. It provides an Excellent ambience for students to learn and acquire the necessary skills required by the IT Industry. Technological Innovation is so rapid in this field that continuous education is essential to enhance the skill set of students keeping in pace with the current trends. The Department has experienced Faculty Members who are fully committed to Teaching and Research.

The students have access to well equipped, State-of-the-art Laboratories. A wide range of activities undertaken in the Department allow the students to gain contemporary knowledge of the basic problems in the IT industry. The advance curriculum requires the students to take up a broad spectrum of courses with special emphasis on desired areas of specialization.

The Department maintains an excellent interaction with IT industry and organizes regular Guest Lectures by experts, Industrial visits, Internships etc. and stands for Industry - Institute Collaboration.
