MEGABLOODDONATION CAMP

VENUE: INDIAN RED CROSS SOCIETY - TNB HQ, EGMORE, CHENNAI

DATE: 29-09-2025

REPORT:

The Youth Red Cross (YRC) unit of Panimalar Engineering College, in collaboration with the Indian Red Cross Society, Tamil Nadu State Branch, successfully organized a Mega Blood Donation Camp and Free Medicine Distribution on Monday, 29th September 2025, at the college premises. The event was conducted to commemorate the 75th Birthday of Hon'ble Prime Minister Shri Narendra Modi, National Voluntary Blood Donation Day, and Gandhi Jayanthi, celebrating the ideals of compassion, service, and unity that these occasions represent.

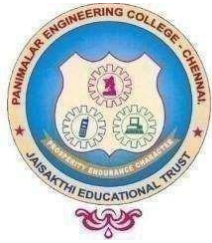

The program commenced at 9:00 a.m. with an inaugural ceremony attended by esteemed dignitaries and guests. The inauguration was graced by Dr. Justice M. Jaichandren, Vice President and Chairman of the Indian Red Cross Society, Tamil Nadu Branch, who emphasized the importance of voluntary blood donation in saving lives and promoting community welfare. The event also had the honor of hosting the Hon'ble Governor of Tamil Nadu, Thiru. R.N. Ravi, President of the Indian Red Cross Society, Tamil Nadu Branch, as the Chief Guest. In his inspiring address, he encouraged students to actively participate in humanitarian activities and contribute towards building a healthy and compassionate society.

“We Rise by Lifting Others”

The Mega Blood Donation Camp witnessed overwhelming participation from students, faculty members, and volunteers of Panimalar Engineering College. Donors came forward enthusiastically to contribute, embodying the true spirit of the Youth Red Cross—selfless service for the betterment of others. Each donor was carefully screened by certified medical professionals to ensure safe and healthy donation practices. Simultaneously, the Free Medicine Distribution initiative extended essential health support to the community, reaffirming the YRC’s dedication to promoting holistic well-being.

The entire event was meticulously planned and coordinated under the supervision of Mr. K. Vedavyas, General Secretary of the Indian Red Cross Society, Tamil Nadu Branch. The seamless organization and enthusiastic involvement of YRC volunteers reflected their commitment and teamwork. The efforts of the administrative committee members, faculty, and management of Panimalar Engineering College played a vital role in ensuring the success of the program, making it a memorable and impactful day of service.

The Mega Blood Donation Camp not only promoted the noble cause of blood donation but also served as a reminder of the power of youth-driven social initiatives. It strengthened the values of empathy, social awareness, and responsibility among students, while showcasing Panimalar Engineering College’s commitment to civic engagement and community development. The event truly stood as a shining example of how collective action and compassion can bring meaningful change to society.

ECO PARK RESTORATION

DATE: 05.10.2025-10:00A.M. TO 1:00P.M.

VENUE : ECO PARK, THIRUMULLAIVOYAL, AVADI, CHENNAI

In continuation of Panimalar Engineering College's commitment to environmental protection, the Youth Red Cross (YRC) Unit organized an **Eco Park Restoration Drive** in collaboration with **Exnora International**, a reputed environmental organization, to develop an **Eco Forest** within the park premises. The primary goal of this initiative was to revitalize green spaces, restore ecological balance, and promote environmental awareness among students and the local community. By joining hands with Exnora International, the YRC aimed to implement sustainable practices such as tree planting, waste segregation, and soil enrichment, thereby nurturing a long-term commitment to eco-friendly living and environmental stewardship.

The event was meticulously coordinated by the **Youth Red Cross Wing of Panimalar Engineering College** under the guidance of the YRC Program Officer, with the active involvement of dedicated student volunteers. The **Chennai Corporation's Parks Department** extended full support by providing necessary permissions and technical assistance, ensuring smooth execution of the activities. Volunteers participated enthusiastically in cleaning the park by removing plastic waste, dry leaves, and other debris. Maintenance and beautification works were carried out to restore the park's aesthetic appeal, while the creation of the Eco Forest marked a significant step toward increasing biodiversity and creating a sustainable green zone within the community.

All volunteers were provided with safety equipment such as **gloves, masks, and eco-friendly tools** to maintain hygiene and ensure safety during the restoration process. The drive concluded successfully, with major portions of the park restored and the newly developed Eco Forest adding to its greenery and charm. The initiative not only enhanced the park's cleanliness and beauty but also gave volunteers hands-on experience in community service and environmental care. The joint effort between YRC and Exnora International received high praise from local visitors and park authorities for its positive environmental impact, reflecting the shared vision of creating a cleaner, greener, and more sustainable future.

YOUTH AWAKENING DAY 25

EXECUTIVE SUMMARY

DATE:15.10.2025

VENUE: I YEAR ADS BLOCK, PANIMALAR ENGINEERING COLLEGE

COLLABORATION:

The AI&DS Department, in association with the Youth Red Cross (YRC) of Panimalar Engineering College, jointly organized a one-day event.

The collaboration aimed to promote technical knowledge, communication skills, and social awareness among students.

EVENTS:

- 1) **Spar X** – Focused on innovative technical challenges that tested creativity and problem- solving skills.
- 2) **Brainstorm** – Encouraged analytical thinking and teamwork through quizzes and logical rounds.
- 3) **Kalam’s Torch** – Provided a platform for students to express opinions confidently on current issues.
- 4) **Pellucid Clips** – A communication-based event designed to enhance clarity of thought and presentation skills.

“We Rise by Lifting Others”

OBJECTIVE:

The objective of the event was to enhance student knowledge, analytical thinking, and awareness of national development through a competitive and engaging quiz format.

The main event consisted of five rounds, each designed to assess different aspects of intellect and reasoning:

1. Ignition Round – A preliminary round to ignite participants' curiosity and enthusiasm.
2. Vision Round – Focused on logical reasoning and futuristic thinking.
3. Tech and Innovation Round – Questions related to technology, innovation, and advancements.
4. The Think Tank Round – Analytical and scenario-based questions to test critical thinking.
5. Rapid Fire Finale – The final and most challenging round testing quick thinking and accuracy under time pressure.

“We Rise by Lifting Others”

BRAINSTORM BLITZ

OBJECTIVE:

The Objective of the event was to inspire the students to present their skills in creative and on-the-spot thinking capabilities. Participants were organised into teams of three, with teammates of their own choice, and then were allotted a random question that adhered to the concept of “Challenges India will face before 2047” and the event’s theme, “Viksit Bharat”. A preparation time of 5 minutes was given to answer. Each team was then asked to speak for approximately 4 minutes, with all team members participating actively while staying focused on the assigned question.

Through their answers, the students were able to portray their skills of being original and creative, while also showing high enthusiasm. They were able to think of complete working solutions to the given challenges, with the help of teamwork. The event helped the students explore their own strengths, whilst building their communication skills with their teammates. It also showed the power of unity, as all the students were ready to think for our country.

“We Rise by Lifting Others”

KALAM’S TORCH

OBJECTIVE:

The event aimed to encourage students to think deeply about leadership, social responsibility, and the values that drive national progress. A total of 49 students from the first-year AI & DS department actively participated in the competition, demonstrating keen interest and enthusiasm.

The competition consisted of two thought-provoking rounds, each reflecting a theme connected to Dr. Kalam’s vision:

Round 1 – Youth Power vs. Political Power:

Participants discussed and debated the role of youth in shaping the nation compared to political influence, emphasizing leadership, ethics, and social change.

Round 2 – Kalam’s Dream vs. Reality:

Participants explored the dreams and aspirations of Dr. A.P.J. Abdul Kalam and evaluated how far India has progressed toward realizing his vision for a developed and self-reliant nation. The event provided a meaningful platform for students to express their ideas, enhance their critical thinking, and engage in reflective discussions about the country’s future.

PELLUCID CLIPS

OBJECTIVE:

The objective of the event was to inspire students to showcase their artistic and patriotic spirit through creative short films. Participants were invited to create a 90-second video edit featuring any Indian icon who has made a remarkable contribution to the nation's progress and inspiration.

Through their videos, students portrayed India's journey from sacrifice to success, connecting the achievements of historical and modern icons with the aspirations of today's youth. The event celebrated both creativity and the power of digital storytelling as a means to honor India's legacy and vision.

“We Rise by Lifting Others”

FIRST AID & CPR TRAINING

VENUE: PEC AUDITORIUM-II

DATE: 26TH NOVEMBER 2025

TIME: 10.00AM-12.00NOON

The Youth Red Cross Wing of Panimalar Engineering College, in proud association with the Department of Emergency Medicine, Panimalar Medical College Hospital & Research Institute, successfully organized the First Aid & CPR Training Program. The event brought together medical experts, faculty leaders, and enthusiastic student participants for a highly informative and hands-on learning experience. The atmosphere in the auditorium carried a sense of purpose and enthusiasm as the students gathered with genuine curiosity and excitement to learn something beyond books and something that could make them a helping hand in real emergencies.

The program commenced with a warm and graceful welcome to our distinguished medical guests:

- Dr. Tamilanbu P, Professor & HOD, PMCH & RI
- Dr. Padmashini, Associate Professor, PMCH & RI

Their presence itself lifted the spirit of the event, as students recognized that they were about to learn from expert doctors who deal with emergencies every single day.

Following this, our college dignitaries were honoured

- Dr. Mani, Principal, Panimalar Engineering College
- Dr. Prasanna Devi, Chief Academic Officer

Each of them was felicitated, which represented our respect, gratitude, and the collaborative spirit behind the event. The auditorium filled with applause as every guest was felicitated.

“We Rise by Lifting Others”

1. CPR Awareness & Importance – Session by Dr. Padmashini

Dr. Padmashini initiated the session by explaining the importance of CPR, when it should be performed, and why CPR is one of the most essential life saving skills that every individual should know.

She explained everything in a way students could easily understand:

1. Why CPR is needed
2. How quickly the brain begins to lose oxygen
3. When to start CPR
4. The real impact of early intervention
5. Common myths people believe about CPR

Her style of teaching was calm, friendly, and deeply engaging. She shared real-life scenarios, making students realise how emergencies are unpredictable and how a simple act of courage can save someone's life.

"We Rise by Lifting Others"

2. First Aid & Emergency Handling – Session by Dr. Tamilanbu

Next, Dr. Tamilanbu stepped forward with vibrant energy and an incredibly engaging presence. He began by breaking down the basics of first aid, reminding students that in any emergency: "Your first reaction must be calmness because your calmness becomes someone else's hope."

He spoke about:

1. Assess the situation
2. Safely Checking the victim
3. Handling wounds, burns, and fractures
4. What to do and what not to do
5. How to react during accidents or medical collapse
6. He used real stories, examples, humour , and relatable situations to keep the entire hall fully attentive.

The students loved his interactive approach after every explanation there were nods, reactions, and answers from the students. His way of simplifying complex emergency procedures made the session extremely easy to follow.

“We Rise by Lifting Others”

3. Question & Answer Session

The Q/A session was one of the most lively parts of the program. Students confidently asked their doubts about:

1. Timing of CPR
2. Handling unconscious victims
3. What to do during bleeding
4. How to call for medical help
5. When not to perform CPR

The doctors patiently clarified every doubt, ensuring no confusion remained. This open conversation helped the students connect with the trainers and feel comfortable taking responsibility in emergency situations.

4. Live CPR Demonstration

The highlight of the event was the live CPR demonstration.

1. Live CPR Demonstration
2. Correct hand position
3. Compression speed & depth
4. Body posture
5. Repeating the cycle

“We Rise by Lifting Others”

Students watched closely, many seeing CPR performed properly for the first time in their lives.

Afterwards, the students were given the opportunity to practice the technique themselves with the guidance of the medical team. This was the moment the training truly came alive students stepped forward attempted to do CPR themselves.

You could see their confidence grow with every repeated step. The doctors corrected their postures, guided their hands, and encouraged them. This session turned into an empowering experience and served to remind everyone that learning CPR is not just a skill; it's a duty.

5. Felicitation & Gratitude

At the end of the training, mementos were given respectfully to the guests as a mark of appreciation for their valuable time and contribution. From the organizing team, each dignitary received hearty thanks, amidst applause resounding in the hall once again.

6. Vote of Thanks & Closing

The program concluded with a sincere Vote of Thanks, acknowledging:

1. The dignitaries who graced the occasion
2. The medical professionals leading the session
3. The tireless work of the YRC team
4. The enthusiastic students who participated wholeheartedly.

YOUTH IN READINESS

VOLUNTEER PATRIOTIC RESERVE FORCE

DATE: 13-11-25

MODE: ONLINE

From the Youth Red Cross unit of Panimalar Engineering College, **more than 250 dedicated volunteers** have successfully enrolled in the Volunteer Patriotic Reserve Force initiative, showcasing their commitment toward national service and community readiness.

This initiative is designed to channel the energy, discipline, and patriotism of India's youth and educators to stand ready for the nation's call during war, natural calamities, and national emergencies—all under the sacred ethos of: “Nation First, Always First”.

1. Patriotic Youth Ambassador

Eligibility: Students

Role: Serve as disciplined, trained civilian volunteers to assist the nation during any crisis.

Why Veterans India?

Veterans India is a nationally recognized, apolitical, and patriotic organization, proudly led by ex-servicemen and supported by thousands of senior defense leaders and educationists. It is the only platform with formal MoUs signed by: Thousands of HEIs across India, AICTE (All India Council for Technical Education) NBA (National Board of Accreditation), With over a decade of patriotic engagement, proven defense-inspired discipline, and a pan-India network, Veterans India stands as the most credible and capable force to lead this national mission.

“We Rise by Lifting Others”

Inspired Leadership Behind the Mission The spirit and vision of Bharat Ke Bhavishya were born from the patriotic soul of Dr. B.K. Mishra, Founder & National President, Veterans India, whose life has been dedicated to selfless national service and youth empowerment.

This mission is further fortified and inspired by two of the nation’s most respected patriotic leaders.

The enrolled volunteers, now part of the Volunteer Patriotic Reserve Force, are trained and prepared to serve during times of national need, including disaster management, public service support, health awareness campaigns, and humanitarian assistance. Their participation reflects the strong spirit of patriotism, responsibility, and volunteerism upheld by the Youth Red Cross movement at PEC.

This achievement marks another milestone in PEC’s student-led service contributions, reinforcing the institution’s culture of discipline, civic engagement, and national pride.

HEXA KIDS DAY

DATE : 05/12/2025

VENUE : Hexaware Technologies Sipcot Siruseri , Chennai

INTRODUCTION:

YRC volunteers from Panimalar Engineering College (PEC) actively participated in the **Hexaware Children’s Event**, a fun-filled and educational program organized by the Hexaware team. The event aimed to create a joyful and interactive learning experience for children through science, talent, and creative activities.

EVENT HIGHLIGHTS:

The program featured a wide range of engaging activities, including:

- 5) **Science Exhibitions** showcasing innovative and interactive models
- 6) **Talent Shows** that encouraged creativity and self-expression
- 7) **Fun and Educational Activities** designed to promote learning through play

The children of Hexaware staff enthusiastically took part in these sessions, exploring new concepts while enjoying a lively and energetic environment.

“We Rise by Lifting Others”

ROLE OF YRC VOLUNTEERS:

Volunteers from Panimalar Engineering College contributed significantly to the smooth functioning of the event. Their responsibilities included:

- 8) Guiding and assisting children throughout the activities
- 9) Coordinating movement between event zones
- 10) Ensuring the children’s comfort, safety, and engagement
- 11) Supporting the organizers with activity management

Their presence added value to the program and helped create an organized, child-friendly atmosphere.

CONCLUSION:

The participation of PEC’s YRC volunteers not only enhanced the event’s coordination but also reflected their commitment to service and community involvement. The Hexaware Children’s Event stands as a vibrant example of teamwork, creativity, and impactful volunteerism.

ORPHANAGE VISIT TO SHELTER TRUST FOR HIV CHILDREN

DATE : 07.12.2025

**VENUE : Shelter Trust For Children,
Perungavur, Chennai.**

INTRODUCTION

The Youth Red Cross (YRC) wing of Panimalar Engineering College organized a social service visit to the Shelter Trust for Children under the guidance of the YRC Wing Head. The visit was conducted as part of the YRC's commitment to humanitarian service and social responsibility. The primary objective of the visit was to understand the living conditions of children, create awareness among students, and extend emotional and financial support.

About the Shelter Trust

The Shelter Trust for Children is a charitable organization dedicated to providing care, education, and medical support to HIV-positive children, ranging from infants to college-going students. The trust also supports HIV-positive workers who are actively involved in the day-to-day functioning of the organization. During the visit, the trust owner gave a detailed introduction about the establishment of the trust, its mission, and the challenges involved in sustaining the institution.

Interaction and Awareness Session

The trust owner explained in detail the health conditions of the children and the difficulties they face in their daily lives. The session highlighted the children's vulnerability to infections due to their medical condition. The speaker also described the life journey of the children, including their schooling, higher education, and the social stigma they encounter. This session created awareness among the YRC volunteers and helped them develop empathy and understanding.

“We Rise by Lifting Others”

Special Address by Lions Club Members

During the visit, the President and Chairman of the Lions Club unexpectedly joined the program. They addressed the students and spoke about the activities of the Lions Club and the importance of youth involvement in social service. Their interaction encouraged the students to actively participate in community welfare and humanitarian initiatives.

Activities with the Children

The YRC volunteers spent meaningful time with the children by playing games, dancing together, and engaging in joyful interactions. Food was served to the children, and the students ensured that the children felt comfortable, cared for, and valued. The activities helped create a positive and cheerful environment within the trust.

Motivational and financial support

The YRC students delivered motivational speeches to inspire the children to remain confident and hopeful about their future. The volunteers emphasized the importance of education and self-belief. As a token of support, the YRC team also contributed financial assistance to the Shelter Trust for Children to help meet the needs of the children.

Conclusion

The visit to the Shelter Trust for Children was a meaningful and enriching experience for the YRC volunteers of Panimalar Engineering College. Under the guidance of Dr. Alvin Kalicharan, the program successfully instilled values of compassion, empathy, and social responsibility among the students. The visit concluded on a positive note, leaving a lasting impact on both the children and the YRC volunteers.

"We Rise by Lifting Others"

NATIONAL VOTER'S DAY -2026

Date:25-01-2026

Venue:CSBS seminar Hall ,PEC

Objective of the event:

The event was organized to create awareness among students and young voters about the importance of voting, democratic values, and responsible citizenship. It also aimed to encourage participation in the electoral process.

On 25th January 2026 Sunday, our college successfully organized the National Voters' Day Celebration under the coordination of the Youth Red Cross (YRC) unit. The program was conducted with the objective of spreading awareness about the importance of voting and encouraging young citizens to actively participate in the democratic process.

The event was honored by the presence of the esteemed District Collector, **Thiru M. Prathap, I.A.S.**, who is also serving as the Election Officer, as the Chief Guest. His gracious presence added great value to the program and served as a source of inspiration for the students. Through his insightful address, he emphasized the importance of civic responsibility and encouraged the students to understand their roles and duties as informed voters in a democratic nation.

“We Rise by Lifting Others”

A large number of students actively participated in the program with great enthusiasm and interest. To promote creativity and civic awareness, various competitions such as Mehendi Competition and Rangoli Competition were conducted as part of the celebration. These competitions were designed around themes related to voting, democracy, and national responsibility.

As a part of the Voters’ Day celebration, **badges related to National Voters’ Day** were distributed to all students and participants. This gesture aimed to create awareness and encourage everyone to become responsible and informed voters.

The entire program was well-organized by the YRC volunteers, who coordinated the event efficiently and ensured its smooth execution. The active participation of students and the guidance of the chief guest made the event informative, meaningful, and successful.

Overall, the National Voters’ Day celebration held on **25th January 2026** was a great success and served its purpose of promoting democratic values, civic responsibility, and active student participation.

REPUBLIC DAY- PATRIOTIC RUN

Date: 26 January 2026

INTRODUCTION

The Youth Red Cross (YRC) Wing of Panimalar Engineering College celebrated Republic Day on 26 January 2026 with great enthusiasm and patriotic spirit on the college campus. The program was organized to commemorate the adoption of the Indian Constitution and to promote unity, discipline, and social responsibility among students

Flag Hoisting Ceremony

The celebration began with the ceremonial flag hoisting by the College Secretary, Dr. P. Chinnadurai, M.A., Ph.D., in the presence of the Principal, Dr. K. Mani, M.E., Ph.D., faculty members, and students. The National Flag was unfurled with pride and respect, followed by the National Anthem. The ceremony created a patriotic atmosphere and instilled a sense of national pride among everyone present

NCC Parade

The NCC cadets presented a well-organized and disciplined parade in front of the dignitaries, faculty members, and students. Their coordination, confidence, and teamwork reflected the true spirit of unity and leadership. The parade added pride and dignity to the Republic Day celebration.

Walkathon for National Awareness

As part of the celebration, a walkathon was organized outside the college campus to create awareness about Fit India, patriotism, and environmental protection. Students and faculty members actively participated with great enthusiasm. The walkathon emphasized the importance of physical fitness, love for the nation, and the responsibility to protect and preserve the environment.

The Thiruvallur District Police extended their valuable support and guidance throughout the walkathon, ensuring safety and smooth conduct of the event. Their cooperation greatly contributed to the successful completion of the program.

Conclusion

The Republic Day Celebration and Walkathon were conducted successfully and meaningfully. The event strengthened patriotic values, discipline, unity, and social responsibility among students. The program concluded with a renewed commitment to serve the nation and society with sincerity and dedication.
