PANIMALAR ENGINEERING COLLEGE

DEPARTMENT OF ECE

Events organised by Robobout Club

Robotics club was inaugurated on 27 th August 2017. The main motive of this club is to inspire young minds to be the driving force in the field of robotics, by engaging them in exciting, mentor-based programs that build engineering skills, inspire innovation, and foster well-rounded life capabilities including self-confidence, communication and leadership. Many students have developed various robotic projects in these five years.
