**DATE OF THE EVENT: 2.4.2024**

Election exhibition on wheels launch event organized by NSS/YRC Cell and UBA Cell of Panimalar Engineering College held on 2.4.2024. There were more than 200 student participants and 10 faculty members. Chief Guest was Thiruvallur district collector and Mr.Mano (Playback singer and cini actor) .They insight on some of the points on Elections and voting are fundamental to India's democracy, empowering citizens to choose their representatives and influence governance. They ensure accountability, as elected officials must respond to the electorate's needs. Voting provides legitimacy to the government, fostering public trust. It promotes inclusive representation, allowing marginalized voices to be heard. Elections offer a peaceful means to resolve conflicts and enable political stability. Civic engagement through voting enhances political awareness and responsibility. Additionally, effective governance resulting from fair elections can drive economic growth and attract investments. Ultimately, elections and voting uphold democratic values, contributing to India's national unity and development.
